DEDICATION

We, the first Graduates of Madonna High School, dedicate this book to our Patroness and Model, Mary, the Mother of God and our Mother.

Our book is called the Madonna Star. We prize this name for it is so meaningful for us. The Star is a symbol of our Lady, called in her litany, "the Morning Star" of whom poets have sung, whom saints have loved and imitated counting it their highest glory to be called her children. This shining symbol of wisdom, fidelity, purity, and love has been given to us as our IDEAL. We can say that the spirit of Madonna High is this: to be faithful followers and imitators of Mary.

This spirit has been given to us by the sacrifices of a group of brave Pioneers, the Sisters of the Good Shepherd, who have dedicated their lives to the teaching of young girls. They have, it is true, a special mission in the Church, but in places where this cannot be done or is not needed, they conduct schools such as ours. We feel close to them, too, for we know they love us.

It was apostolic zeal that inspired Mother Immaculata to open this high school, the only Catholic one in Las Cruces, to offer a College Preparatory Course in union with a religious training. With a Catholic population of over one-fourth of Las Cruces, the school was long over due.

What is the future of Madonna High? We know only this: we must go forth from our Alma Mater filled with its generous spirit, reflecting in our lives all it has taught us. The thing that is important is the intangible which springs from the hearts and minds of the faculty and students. "It is the life lived, the things loved, and the ideals believed in, by which we tell one upon another."

THE GRADUATES

"The Church applauds man's growing mastery over the forces of nature and rejoices in all present and future progress which helps men better conceive the infinite grandeur of the creator."

- Pope John XXIII

HIS EXCELLENCY MOST REVEREND SIDNEY M. METZGER,
S. T. D., I. C. D.

My dear Graduates of Madonna High School:

You are the first graduating class of your school and as such you are pioneers even in this modern age. Pioneers cannot succeed without character, courage, and confidence in God. Those who come after you must have these same qualities in order to establish Madonna High School on a firm and enduring foundation. Undoubtedly all who have shown an active interest in the establishment of this high school have something of the undaunted spirit of the pioneers and rest assured that the teachers, students and friends of Madonna High School have our approval and blessing.

Sincerely yours in Christ,

+ S. M. Metzger

If we work upon marble, it will perish,
If we work upon brass, time will efface it,
If we rear temples, they will crumble to dust,
But if we work upon men's immortal minds,
If we imbue them with high principles,
With the just fear of God and love of their fellow man,
We engrave on those tablets something which no time can efface,
And which will brighten and brighten to all eternity.

We Thank Thee, Lord

Gratefully, dear Lord
We kneel to say our "Thank you"
For all your wondrous gifts;
God-fearing, loving parents,
Self-sacrificing, true.
For teachers oft-times heroic
In devotedness.

For loyal friends with whom
We've worked and played,
And this dear school of ours,
With all it stands for
In our lives -
And oh, a hundred other things,
For all, dear Lord, we thank you.

Fair though it be, to watch unclose
The nestling glories of a rose,
Depth on rich depth, soft fold on fold
Though fairer be it, to behold
Stately and sceptral lilies break
To beauty and to sweetness wake
Yet fairer still, to see and sing,
One fair thing is, one matchless thing
Youth, in its perfect blossoming.
